Assignment 1

August 9, 2020

1 Summation of two numbers

Write a program that takes in 2 numbers then output the sum.
Example:
  First number: 2
  Second number: 3
  Sum: 5

1.1 Conversation

Write a program that asks the user to input a NAME and their favorite SPORT, then output the highlighted statement.
Example:
  What is your name? : Jason
  What's your favorite sport? : Soccer

  Hello Jason! I like soccer too.

Due Friday, Aug, 14.
